BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of CenturyTel of Missouri, LLC's)	
Request for Competitive Classification Pursuant)	Case No. IO-2006-0109
to Section 392,245.5 RSMo (2005).)	

FIDELITY COMMUNICATION SERVICES II, INC.'S OBJECTIONS TO POST-HEARING FILINGS

COMES NOW Fidelity Communication Services II, Inc. ("Fidelity"), by and through its undersigned attorneys, and hereby objects to admission into evidence of the post-hearing filings filed on behalf Sprint and Verizon Wireless, and any and all other post-hearing filings purporting to contain evidence as to any services being provided in the Bourbon, St. James and/or Cuba exchanges, on the following grounds: (i) all such filings are out of court statements being offered by CenturyTel for the truth of the matter asserted and are, therefore, inadmissible hearsay; (ii) in light of their late filing, Fidelity has had no opportunity to investigate their veracity, or to challenge their contents, therefore, admission of these filings into evidence violates Fidelity's due process rights; and (iii) their contents are irrelevant in that they do nothing to establish that any wireless company is a "real" competitor of CenturyTel in any exchange, and only further demonstrate the incomplete record upon which this Commission is being asked to base its decision.
