Kansas City Power & Light Company )

MISSOURI INDUSTRIAL ENERGY CONSUMERS'  
PREHEARING BRIEF

Pursuant to the Commission's June 6 Order in this case, Anheuser-Busch, Boeing, DaimlerChrysler, Ford, General Motors, Hussmann, J. W. Aluminum, Monsanto, Pfizer, Precoat, Procter & Gamble, Nestlé Purina and Solutia, hereafter referred to as the Missouri Industrial Energy Consumers or "MIEC", files its Prehearing Brief.

The MIEC supports the Nonunanimous Stipulation and Agreement. The MIEC believes that the evidence introduced at hearing by the other parties will show that the Nonunanimous Stipulation and Agreement is just, reasonable and in the public interest. MIEC does not plan to present a witness at the hearing in this case. The MIEC intends to rely upon the evidence of the other parties in arguing to the Commission that the Nonunanimous Stipulation and Agreement should be approved by the Commission.

Respectfully submitted,
