Respond Data Request

Data Request No.	0022
Company Name	MO PSC Staff-(All)
Case/Tracking No.	GU-2007-0480
Date Requested	7/16/2008
Issue	General Information and Miscellaneous - AAO
Requested From	Paul Harrison
Requested By	Dean L Cooper
Brief Description	
Description	On page 14 (lines 14-16) of Paul Harrison's Rebuttal Testimony, a condition is proposed stating that an accounting authority order should only continue "through the earlier of 24 months from the effective date of this order or the end of the Commission-ordered test year as updated, or true-up period in MGE's next rate case." Based upon discussions with Staff, we believe Mr. Harrison intended to state this provision as follows - "... continuing through the end of the Commission-ordered test year as updated, or true-up period in MGE's next rate case, provided MGE files its rate case within 24 months of the effective date of this order." Is this accurate? If not, please explain Staff's intention in regard to this provision.
Response	The Staff believes MGE's clarification language stated above is an accurate representation of the Staff's position concerning this proposed condition as expressed in the Staff's rebuttal testimony.
Objections	NA
