Enclosed is AmerenUE's Report on its Metro Tree-Trimming Schedule and on its Other Area Tree Trimming Schedule for the first half of 2006. On the worksheets under the first and second quarter, the number at the bottom of each column in bold is the actual line miles completed between 01/01/2006 and 07/01/2006. For 2006, AmerenUE has 4,249 distribution line miles scheduled under performance management with our vendors. As of 07/01/2006, 2055.78 distribution miles have been completed or 48.4%.

Sincerely,
