2. Operator Services

A. General

Operator Services will be offered to the Company subscribers served from equal access offices. Charges for Operator Services may be billed to a customer's commercial credit card account or local exchange company (LEC) calling card account, or to the calling station, called station or a designated third party station. Charges may not be billed to public payphones or customer-provided stations. The rates and service charges in Section 5.3.2.D apply to "0+", "0-" and "00" calls, including calls dialed using a 10XXX or other access number, routed to a Company operator or to an automated operator or calling card interface from the premises of: 1) residential and business subscribers; or 2) local exchange carrier customers not presubscribed to the Carrier. Operator Service rates will apply to the following types of calls.

- a. Customer Dialed Calling Card Station - Calls completed without the assistance of a company operator when the charges are billed to the LEC calling card account entered by the calling party.
- b. Operator Station - Calls completed with the assistance of a company operator on a station-to-station basis. Charges may be billed to the customer's commercial credit card or LEC calling card account, or to the calling station, called station or a designated third party station.
- c. Person-to-Person - Calls completed with the assistance of a company operator to a particular person, station, department or PBX extension specified by the calling party. Charges may be billed to the customer's commercial credit card or LEC calling card account, or to the calling station, called station or a designated third party station.

7. AT&T LOCAL EXCHANGE SERVICES

7.7 Local Operator Services

7.7.1 Local Directory Assistance

Local Directory Assistance allows Customers to obtain help determining listed telephone numbers. A maximum of two (2) requested telephone numbers will be provided for each Local Directory Assistance Call. In addition to the Local Directory Assistance Service Charge, a surcharge will apply when a Customer bills the Local Directory Assistance Call to a Calling Card or to a third party or requests operator assistance to place a call to Local Directory Assistance.

7.7.2 Busy Line Verification

Busy Line Verification provides operator assistance in determining if there is conversation in progress on a called station. There is a per request charge for verification service.

7.7.3 Busy Line Verification with Interrupt

Busy Line Verification with Interrupt provides for operator interruption of a conversation in progress on a called station. A charge applies for each attempt to interrupt regardless of whether or not the called station releases the call. A Busy Line Verification must be made prior to a Busy Line Interrupt. The Customer shall indemnify and save the Company harmless against all claims by either party to the interrupted call or any other person that may arise from the use of Busy Line Interrupt.

7. AT&T LOCAL EXCHANGE SERVICES

7.7 Local Operator Services (Cont'd)

7.7.4 Operator Assistance

A. Operator Station Service Charge

An Operator Station Service Charge applies when calls are completed with the assistance of a Company operator, except as specified, for Customer-Dialed Calling Card Station, Person-to-Person and Billed to Third Party classes of service.

B. Customer-Dialed Calling Card Station

Customer-Dialed Calling Card Station charges apply when calls are originated and billed as specified below. Customer-Dialed Calling Card Station charges do not apply when: (1) the Customer dials the appropriate AT&T access code and does not enter the called number prior to the call timing out and being transferred to a live AT&T operator or the automated operator system; or (2) the Customer dials an AT&T designated number for completion of Customer-Dialed Calling Card Calls, but fails to respond to system prompts and must be transferred to a Company operator.

1. Customer Dialed/Automated

The Customer dials the appropriate AT&T access code (e.g., 0, 10288+0, an AT&T designated number for completion of Customer Dialed Calling Card Calls) plus the desired telephone number and completes the call without the assistance of a live AT&T operator or the automated operator system (except in the case of calls made from a rotary phone) and the call is billed to a Calling Card, or

2. Customer Dialed and Operator Assisted

The Customer dials the appropriate AT&T access code (e.g., 0, 10288+0, an AT&T designated number for completion of Customer Dialed Calling Card Calls) plus the telephone number desired but uses Company operator assistance that is limited to recording the Calling Card number for billing purposes, or

7.7.4 Operator Assistance (Cont'd)

B. Customer-Dialed Calling Card Station (Cont'd)

3. Customer Dialed - Operator Must Assist

The Customer dials the appropriate AT&T access code (e.g., 0, 10288+0, or an AT&T designated number and (1) the local exchange Operator Services equipment capability precludes the Customer from completing the call without the assistance of a Company Operator and the call is billed to the Customer's Calling Card, or (2) the Customer's Calling Card number, when input, is not the accepted length to be automatically validated and requires operator intervention.

4. Types of Calling Cards

Each of the preceding types of calls are future classified based upon the type of calling card that is used for billing purposes, as follows;

a. AT&T CIID/891 Card

An AT&T Calling Card which contains a billing number issued to AT&T in the Card Issuer Identifier (CIID) or "891" international format or "personal choice" format.

b. Calling Card other than the AT&T CIID/891 Card

(1) Local Exchange Company Calling Card

A calling card issued by a Local Exchange Company that is accepted by AT&T for the billing of calls over its Network.

(2) Commercial Credit/Charge Card

A credit/charge card issued by a non-carrier that is accepted by AT&T for the billing of calls over its Network.

C. Person-to-Person

Person-to-Person charges apply where the person originating the call specifies to the operator a particular person to be reached, or a particular station, department, or office to be reached through a PBX or Centrex attendant.

After the called station has been reached, if the called party is unavailable and the calling party requests or agrees to speak to a party other than the party initially specified, the call is still billed as a Person-to-Person call. The calling party is responsible for identifying the party at the called station.

D. Billed to Third Party

Billed to Third Party charges apply where the person originating the call specifies to the operator that the call will be billed under an arrangement by which the call will be charged to an authorized station other than the station originating the call or the station where the call is terminated.

E. Operator Assistance Local Usage Rates

Operator Assistance Local Usage Rates apply to Operator-handled local calls. Calls are billed in one-minute increments, with an initial billing period of one minute.

7.7.5 Directory Assistance Service

Directory Assistance Service is furnished in the state of Missouri and allows the Customers and Users of the Company's Local Exchange Services to obtain directory assistance in determining telephone numbers within the LATA in which they subscribe to such service by calling the Directory Assistance operator. It does not apply to directory assistance calls for points outside the LATA in which the caller is located.

7.7.6 Directory Assistance Rates

Directory Assistance charges apply on a per-call basis, with a maximum of two requested telephone numbers allowed per call. Requests for information other than telephone numbers will be charged the same rate as shown for the applicable request for telephone numbers. A Directory Assistance call charged to a calling card or to a third number will be billed the appropriate operator charge, plus the charge for Directory Assistance.

A. Exemptions

No charge applies for:

1. Calls for Directory Assistance originating from coin telephones.
2. Calls for Directory Assistance from Users who have requested exemption for the Directory Assistance Charge because they are unable to use telephone directories due to physical or mental limitations. To obtain such exemption, the Customer shall provide the name, address, telephone number and nature of the limitation for each individual requiring the exemption. The Company shall treat information contained on the exemption records as confidential. The Customer shall notify the Company when the need for an exemption no longer exists.

B. Credit

A credit will be given for calls to Directory Assistance when the Customer experiences poor transmission or is cut-off during the call, the Customer is given an incorrect telephone number, or the Customer inadvertently misdials. To receive a credit, the customer must notify the Company operator or Business Office of the problem experienced.

LOCAL OPERATOR SERVICES

Local Directory Assistance Service

MO. PUBLIC SERVICE COMM

A. General Regulations

Directory Assistance service is defined as furnishing aid in obtaining telephone numbers. The Directory Assistance charges specified in this tariff apply when a customer within Missouri requests the telephone numbers of other customers within the same LATA. Directory assistance call completion charges apply when the directory assistance operator automatically completes the call to the requested number.

B. Conditions

1. All accounts are entitled to one free direct dialed call per month to Directory Assistance service for each individual access line.
2. Call allowances are not transferable between accounts.
3. For the purposes of administering this tariff the full allowance will apply for service on record as of the customer's billing date.
4. Rates specified in C. 1. below are not applicable to:

-Calls placed from hotels and motels.

-Calls placed from hospitals.

-Calls placed from residence telephones where a member of the customer's household has been certified by a qualified authority as unable to use a directory or from the business telephone of a certified customer where other assistance is not available. A qualified authority is defined as including doctors of medicine, ophthalmologists, optometrists, registered nurses, therapists, professional staff of hospitals, institutions and public welfare agencies. Certification of physical disability sufficiently severe to prevent reading or using conventional reading materials may also be made by professional librarians or by any person whose competence in this area is acceptable to the Librarian of Congress of the United States.

-Calls from certified exempt customers and charged to their Calling Card.

RECEIVED**APR 03 2000****LOCAL OPERATOR SERVICES – Continued****Busy Verification and Interrupt Service****MO. PUBLIC SERVICE COMM****A. General**

Upon request of a calling party, the Operator will verify a busy condition on a called line. An operator will determine if the line is clear or in use and report to the calling party. In addition, the operator will intercept an existing call on the called line if the calling party indicates an emergency and requests interruption.

B. Rates**1. A Busy Verification Charge will apply when:**

- a. The operator verifies that the line is busy with a call in progress, or
- b. The operator verifies that the line is available for incoming calls.
- c. Both a Busy Verification Charge and an Busy Interrupt Charge will apply when the operator verifies that a called number is busy with a call in progress and the Customer requests interruption. The operator will interrupt the call advising the called party of the name of the calling party and the called party will determine whether to accept the interrupt call. Charges will apply whether or not the called party accepts the interruption.
- d. No charge will apply when the calling party advises that the call is to or from an official public emergency agency.

Rates

Busy Verification Charge(Line Status), each request	\$1.25
Interrupt Charge, each request	\$2.25

Person-to-Person Service

Person-to-Person service is not offered.

Local Operator Assisted Calls**1. Description**

Credit card, collect and third number calls are customer dialed "0" calls that are completed by the caller or completed by the operator. The call will be appropriately billed to the caller's credit card, the called party, or a third number instead of the telephone originating the call.
