RE: Hickory Hills Water & Sewer Company, Inc. – Tariff Filing in Accordance
with Commission Order Issued in PSC Case No. WR-2006-0250, et al.

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised water and sewer tariff sheets that include rate and language changes consistent with the **Report and Order** that the Commission issued in the above-referenced consolidated case on June 15, 2006, and which was effective on July 1, 2006.

Consistent with the above-referenced Commission order, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$2,413 in the Company's annual sewer system operating revenues and a decrease of \$840 in the Company's annual water system operating revenues. Consistent with the applicable Commission rules, the tariff sheets bear an effective date that is 30 days from the issue date.

By an order issued by the Commission in PSC Case No. WO-2007-0036 on August 3, 2006, which was effective on August 13, 2006, the Commission appointed me as the Interim Receiver for Hickory Hills Water & Sewer Company, Inc. ("Hickory Hills"). In accordance with that Commission order, and the applicable statutory provisions under which the order was issued, I have the authority to file the enclosed revised tariff sheets on behalf of Hickory Hills.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

/s/ Gary V. Cover
