## ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: November 24, 2020

Effective Date: November 24, 2020

On October 30, 2020, Spire Missouri, Inc. filed an application seeking approval of an on-bill financing program and an associated cost recovery mechanism for the recovery of the program investments. The Commission directed notice and set a deadline of November 12, 2020, for applications to intervene. On November 13, 2020, Consumers Council of Missouri filed an application to intervene.

More than ten days have passed since the application was filed and no one has responded. After considering the unopposed application to intervene, the Commission finds that Consumers Council has interests which are different from that of the general public and allowing it to intervene will serve the public interest. Therefore, in accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the application to intervene.

### THE COMMISSION ORDERS THAT:

1. The application to intervene of Consumers Counsel is granted.
2. This order shall be effective when issued.
