*Re: Subpoena to Cynthia Goldsby in Public Service Commission Case Nos. SR-2010-0110
and WR-2010-0111, Lake Region Water & Sewer Company*

Dear Steve:

Enclosed please find the affidavit of Cynthia Goldsby, which responds to each of the questions contained in your May 20th letter to me.

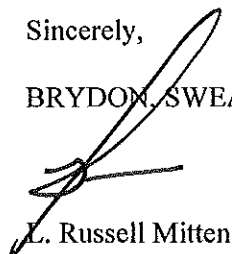

In the "Staff Response to Affidavits" filed yesterday, I was somewhat distressed to learn that Staff may still decide to pursue its efforts to take Ms. Goldsby's deposition despite the fact that she has promptly and completely responded to both sets of written questions submitted to her. As I have explained to you before, Ms. Goldsby has little information that will be of value to Staff or the Commission in resolving issues related to availability fees. She has fully responded to all written questions submitted to her, and I can't imagine what additional, useful information Staff believes it will be able to obtain through a formal deposition.

Please call me if you have any questions regarding the enclosed affidavit.

Sincerely,

BRYDON, SWEARENGEN & ENGLAND P.C.
