

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of KCP&L Greater Missouri Operations)
Company's Demand-Side Program Annual Report for 2015) Case No. EO-2016-

**KCP&L GREATER MISSOURI OPERATIONS COMPANY'S DEMAND-SIDE
PROGRAM ANNUAL REPORT FOR 2015**

COMES NOW KCP&L Greater Missouri Operations Company ("GMO"), and pursuant to 4 CSR 240-20.093(8) and 4 CSR 240-3.161(5), files its Demand-Side Program Annual Report for 2015 and states as follows:

1. Missouri Public Service Commission's ("Commission") Missouri Energy Efficiency Investment Act ("MEEIA") regulations require utilities with one or more approved demand-side programs to file a Demand-Side Program Annual Report no later than 60 days after the end of each calendar year. GMO's deadline is 90 days rather than 60 days as outlined in the variance language contained in Appendix H of the November 23, 2015 Non-Unanimous Stipulation and Agreement Resolving MEEIA Filings which states:

5) Variances related to the annual report filing:
20.093(8)

This rule requires that a utility with one or more approved demand-side program file an annual report no later than 60 days after the end of each calendar year. The Utility would like to extend this 60-day requirement to 90 days, because it believes that at the 60-day point, there will still be a lack of completed available information available to meet the 60 day requirement. Therefore, the Signatories respectfully request a variance to extend the annual report filing requirement to no later than 90 days after the end of each calendar year.

2. Exhibit 1 (**HC**) to this pleading is GMO's Demand-Side Program Annual Report for its 2015 MEEIA programs (an Excel Workbook having multiple tabs). Tab 1 of this Exhibit is an index which sets forth the requirements of 4 CSR 240-3.163(5) and indicates where the information responsive to each specific requirement can be found. Exhibit 2 is the Affidavit of Kimberly H. Winslow.

3. As required by the Commission's regulations, the Company is serving a copy of this report on each party to its last MEEIA case, File No. EO-2015-0241.

WHEREFORE, GMO requested the Commission accept its Demand-Side Program Annual Report for its 2015 MEEIA programs.

Respectfully submitted,
