**Re: Substitute Tariff Schedule to Adjust FAC Rate of
KCP&L Greater Missouri Operations Company**

Dear Mr. Woodruff:

KCP&L Greater Missouri Operations Company (“KCP&L-GMO” or the “Company”) submitted proposed rate schedules December 30, 2015 to adjust charges related to the Company’s approved Fuel Adjustment Clause (“FAC”). On January 7, 2016 a portion of transmission costs not included in the December 30, 2015 filing was identified. MPSC Staff recommended a substitute tariff sheet be submitted along with revised workpapers to reflect the change. As a result, there was a slight change to the actual net energy charge (ANEC) and no changes in the Fuel Adjustment Rate (FAR).

Respectfully submitted,

/s/ Roger W. Steiner

Roger W. Steiner
