RECOMMENDATIONS REGARDING TEST YEAR AND TRUE-UP

Issue Date: April 10, 2008

Effective Date: April 10, 2008

On April 10, 2008, the Commission's Staff, on behalf of all of the parties to this matter, filed a motion requesting that the deadline for the filing of the recommendations concerning Trigen-Kansas City Energy Corporation's proposed test year and true-up be delayed until April 24, 2008. Staff states that preliminary discussions between the parties resulted in the determination that this delay would allow pertinent data to be produced to aid with the recommendations. The Commission finds the request to be reasonable and shall grant it.

IT IS ORDERED THAT:

1. The Staff of the Missouri Public Service Commission's "Motion to Postpone Date to File Recommendations Regarding Test Year and True-Up" is granted.
2. The current deadline for filing recommendations on test year and true-up is cancelled.
3. The Staff of the Missouri Public Service Commission, the Office of the Public Counsel, and any persons or entities requesting intervention, or who have been granted

intervention between the date of this order and April 24, 2008, shall file, on or before April 24, 2008, a pleading either indicating concurrence in Trigen-Kansas City Energy Corporation's recommended test year or recommending alternatives to that test year.

4. This order shall become effective on April 10, 2008.
