OF I-WIRELESS, LLC FOR DESIGNATION) Case No. TA-2011-0377
AS AN ELIGIBLE TELECOMMUNICATIONS)
CARRIER IN THE STATE OF MISSOURI)**

SUPPLEMENT TO APPLICATION

Comes now Applicant i-wireless, LLC (“Applicant”), by its undersigned counsel, and to supplement its Application for Commission designation as an Eligible Telecommunications Carrier (“ETC”), states the following:

1. On August 4, 2011, Applicant submitted responses to Staff of the Missouri Public Service Commission’s (“Staff”) First Set of Data Requests. Attached as Exhibit 3 to those responses is Applicant’s Proposed Missouri Lifeline Application, submitted in response to Staff’s data request number 22.

2. In consultation with Staff, Applicant has learned that Staff believes that the Applicant should submit an application for such low income discounts that more closely resembles the generic Missouri Application for Low Income or Disabled Discounts that is approved by the Missouri Universal Service Board. By this Supplement to its Application, Applicant informs the Commission that it has agreed to Staff’s suggestion and hereby submits a revised Lifeline application. See attached Exhibit A, “Application for Low Income Discounts,” incorporated herein by reference.

Wherefore, the Applicant requests that the Commission consider this Supplement in its determination to grant ETC status to the Applicant.

Respectfully submitted,
