**File No. XD-2011-0202**

**WITHDRAWAL OF STAFF MOTION**

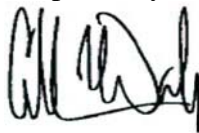

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 30, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on January 18, 2004, to IE Com (“the Company”), because it reported no Missouri jurisdictional revenue for the past two years. Staff’s motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission’s records.

2. On February 2, 2011, the Company filed its Objection to the Staff’s Motion on the basis that it did have revenue during the two years at issue, but that such revenues were reported under the company’s affiliate, Matrix Telecom, Inc. As a guide for future filings, the Staff notes that a single annual report showing the combined revenues for the affiliated companies should be submitted once for each affiliate, but the reports should be marked that identical combined filings were made for both companies, which, the Staff hopes will keep this mistake from recurring. The Staff’s Motion, if granted, could interfere with the Company’s provision of telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for IE Com and asks that this matter be closed without further Commission action.

Respectfully submitted,

Colleen M. Dale
