In the Matter of Missouri Gas Energy's)	
Proposed Tariff Sheets to Administer Natural)	<u>Case No. GT-2008-0005</u>
Gas Conservation Initiatives)	Tariff No. YG-2008-0099

ORDER APPROVING TARIFF

Issue Date: August 15, 2007

Effective Date: August 15, 2007

On August 7, the Commission issued an Order Approving Stipulation and Agreement. In that order, the Commission directed Missouri Gas Energy to file tariffs identical to the specimen tariffs affixed to the parties' stipulation and agreement. MGE filed those tariffs the following day and asked for expedited treatment.

The Commission ordered Staff to file a Recommendation, and Staff filed its Recommendation on August 14. Staff stated that the tariff sheets MGE filed are identical to the sheets affixed to the parties' stipulation and agreement, and Staff recommends that the Commission approve them.

The Commission has reviewed the parties' pleadings and the tariff. The Commission finds that the tariff sheets are identical to the tariff sheets affixed to the parties' stipulation and agreement that the Commission approved. The Commission will, likewise, approve the tariff sheets.

Further, Section 393.140(11) states that the Commission, for good cause shown, may allow tariff sheets to become effective before their 30-day effective date has run. The Commission finds good cause exists here in that MGE's customers should be able to use the tools listed in the tariff sheets to immediately be able to control their natural gas costs.

IT IS ORDERED THAT:

1. The tariff sheets filed on August 8, 2007, by Missouri Gas Energy, Tariff No. YG-2008-0099, are approved for service rendered on and after August 15, 2007. The tariff sheets approved are:

2. This order shall become effective on August 15, 2007.
3. This case shall be closed on August 16, 2007.
