File No. GT-2010-0261

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation to approve transportation tariff sheets filed by Missouri Gas Energy (MGE or Company) with an effective date of September 15, 2010. For its Recommendation Staff states:

1. The Commission's Energy Department - Tariffs/Rate Design Staff (Staff) has reviewed each of the tariff sheets, filed by MGE on September 8, 2010, and substituted on September 10, 2010.
2. The Staff is of the opinion that these sheets are in compliance with the Commission's August 31, 2010 Order, which rejected the original transportation tariffs filed by MGE, and Staff recommends Commission approval.
3. The Staff is also of the opinion that good cause for approval of these tariff sheets on less than thirty days notice is demonstrated by the Commission's Order.

WHEREFORE THE Staff recommends that the set of tariff sheets designated P.S.C. MO. No. 1, September 8, 2010, and as substituted on September 10, 2010, be approved to become effective on and after September 15, 2010.

Respectfully submitted,
