(Name of Applicant))
for change of electric supplier.)

Case No. _____

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 13400 N Congress Ave
Kansas City mo 64113

2. The name of Applicant's current electric service provider is: Evergy

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier from Evergy (Current) to Platte-Clay electric Cooperative (Requested)

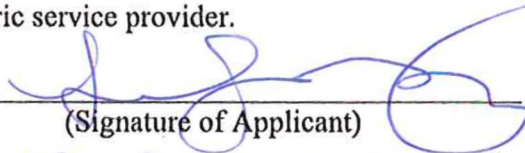

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons.* Our address has

experienced multiple outages over a 5 year period.
Each time of an outage neither electric supplier
can find our address in their system. the line
down N. Congress Ave is owned by Platte-Clay but
from road to house is Evergy. Neither company
electronically speak to the other. when we lose power it takes
me multiple phone calls & hours of interrupted service for
resolution. on May 6, 2022, I once again called evergy for an
outage report & they could not locate my address in the outage
system.

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: Walled with Platte-Clay
to learn the shared acct # for future phone calls.
in 2019^{or} 2020 I spoke w/ Craig Brown with Evergy
requesting to be moved to Platte-Clay Service. I
understand Craig is no longer with Evergy.

WHEREFORE, Applicant requests the Missouri Public Service Commission to issue an Order which changes the current electric service provider.

*If reason for change is poor service, outages, low voltage, etc., applicant should submit a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
