Increase in Water and Sewer Service)	

In the Matter of Lake Region Water and Sewer)	
Company's Application to Implement a General)	Case No. WR-2013-0461
Increase in Water and Sewer Service)	

JOINT MOTION TO FILE STIPULATION
ONE DAY OUT OF TIME

Come now Lake Region Water & Sewer Company, the Staff of the Missouri Public Service Commission and the Office of the Public Counsel, by and through their respective counsel, and for this joint motion respectfully submit the following to the Commission:

1. The Commission's August 29, 2013 *Order Setting Procedural Schedule And Establishing Test Year And Other Procedural Requirements* set a deadline of February 4, 2014 by which the parties were to file a Joint Stipulation of Non-Disputed Material Facts.

2. The Commission will note that in advance of this deadline the parties filed on January 31, 2014 a Joint Stipulation of Undisputed Facts which was generally confined to the topic of availability fees. Since that time the parties have identified additional undisputed facts which are enumerated on the Joint Stipulation of Undisputed Material Facts submitted simultaneously with this motion.

3. The harsh weather conditions experienced yesterday in Jefferson City, Missouri and other nearby communities in Central Missouri impeded the parties from meeting the February 4, 2014 deadline for filing the instant Joint Stipulation of Undisputed Material Facts and they respectfully request the Commission to accept it for filing one day out of time.

4. Neither the Commission nor the parties are prejudiced by this late filing. This motion is not for purposes of delay and there is good cause to grant the same.

WHEREFORE, on the basis of the above and foregoing, the parties respectfully request the Commission to accept for filing their Joint Stipulation of Undisputed Material Facts one day out of time.

Respectfully submitted,

/s/ Mark W. Comley
