

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the 2008 Resource Plan of)	
Kansas City Power & Light Company)	Case No. EE-2008-0034
Pursuant to 4 CSR 240-22)	

**JOINT REQUEST OF THE PARTIES FOR EXTENSION OF TIME
TO FACILITATE SETTLEMENT DISCUSSIONS**

Pursuant to 4 C.S.R. 240-2.080, Kansas City Power & Light Company (“KCP&L”), the Staff of the Missouri Public Service Commission (“Staff”), the Office of Public Counsel (“OPC”), the Missouri Department of Natural Resources (“MDNR”), and Dogwood Energy, LLC (“Dogwood”) (collectively, the “Parties”) hereby jointly request that they be given until March 31, 2009 to attempt to reach a joint agreement regarding concerns the non-KCP&L Parties raised about KCP&L’s Electric Utility Resource Planning submission (“IRP”) in the above-captioned case. In support hereof, the Parties offer as follows:

1. On August 5, 2008, KCP&L submitted its IRP. Since that time, KCP&L has met with Staff, OPC, and other interested parties concerning issues and concerns raised by those parties with respect to KCP&L’s submission. In an attempt to respond to those issues, KCP&L submitted supplemental information concerning its IRP on December 24, 2008.

2. On January 8, 2009, each of the non-KCP&L Parties submitted comments identifying concerns and in some cases alleging certain deficiencies in KCP&L’s IRP. No other party to this case alleged any deficiencies. Pursuant to 4 C.S.R. 240-22.080(8),

If the staff, public counsel or any intervenor finds deficiencies, it shall work with the electric utility and the other parties to reach, within forty-five (45) days of the date that the report or comments were submitted, a joint agreement on a plan to remedy the identified deficiencies.

3. Because the IRP comments of the non-KCP&L Parties were submitted on January 8, 2009, the deadline to reach a joint agreement on a plan to remedy the alleged deficiencies is

February 23, 2009. The Parties have continued to meet and believe they will likely be able to develop such a mutually agreeable plan. However, the Parties do not believe they will be able to do so by February 23, 2009. Consequently, the Parties respectfully request that the Commission extend the deadline for reaching a joint agreement on a remedy plan, as contemplated in 4 C.S.R. 240-22.080(8), until March 31, 2009.

4. Good cause exists to grant the Parties' request for extension. No party to this case will be prejudiced by such an extension, and allowing the Parties to negotiate a mutually agreeable resolution of the matters at issue in this case will avoid unnecessarily taxing Commission resources.

For the foregoing reasons, the Parties respectfully request that the Commission extend the deadline for reaching agreement on a remedy plan, as contemplated in 4 C.S.R. 240-22.080(8), until March 31, 2009.

Respectfully submitted,
