ORDER GRANTING REQUEST TO ESTABLISH CASE

Issue Date: April 12, 2007

Effective Date: April 12, 2007

Syllabus: This order establishes a case so that the Staff of the Commission may receive a Gas Incident Report.

On April 6, 2007, the Staff of the Commission filed Staff's Request to Establish a Case for Investigation of Gas Safety Incident. Staff states that Missouri Gas Energy Company is subject to Commission jurisdiction under Section 386.020(18), RSMo. Further, Staff states that on January 8, 2007, a natural gas incident occurred at the above-captioned address. According to Staff, the incident did not injure or kill anyone, and resulted in minor damage to the residence.

Staff states that it has begun a formal investigation into the incident, and requests that the Commission open a case to allow it to receive further information. Staff indicated that it anticipated it would file a report within 100 days of the Commission's opening a case.

The Commission finds that it should establish a case to receive information relevant to the above-described incidents, and to determine what, if any, action the Commission should take. Thus, the Commission will establish Case No. GS-2007-0381.

IT IS ORDERED THAT:

1. Case No. GS-2007-0381 is hereby established to receive an incident report from the Staff of the Missouri Public Service Commission pertaining to the natural gas incident that occurred on January 8, 2007, at 1706 Smith Street, Blue Springs, Missouri, and for receiving the response of Missouri Gas Energy Company.
2. The Commission's Staff shall file either its final incident report or an interim incident report no later than July 23, 2007.

4. This order shall become effective on April 12, 2007.
