In the Matter of the Verified Petition of Union)	
Electric Company, d/b/a AmerenUE, to Establish)	<u>Case No. GT-2008-0184</u>
An Infrastructure System Replacement Surcharge)	Tariff No. YG-2008-0354

ORDER APPROVING ISRS RATES AND TARIFF

Issue Date: February 26, 2008

Effective Date: March 29, 2008

On November 30, 2007, Union Electric Company, d/b/a AmerenUE, filed a verified petition to establish an infrastructure system replacement surcharge (ISRS). AmerenUE's petition was accompanied by an implementing tariff. The Commission has suspended that tariff until March 29, 2008.

In its application, AmerenUE seeks to establish its ISRS rate schedule to reflect costs incurred in connection with ISRS-eligible infrastructure system replacements placed in service from October 1, 2006, through October 31, 2007. The specific infrastructure system replacements for which AmerenUE seeks ISRS recognition are set forth in Appendix A to its application.

Section 393.1015.1(2), RSMo, requires the Commission to publish notice of AmerenUE's ISRS filing. Therefore, on December 3, the Commission directed that notice of the filing be mailed to the county commission of the counties served by AmerenUE. It also directed that notice be given to the media serving the area served by AmerenUE and to the members of the General Assembly representing that area. In addition, the Commission directed notice to each party in AmerenUE's most recent gas rate case. In the

same order, the Commission directed that any person wishing to intervene in this matter file an application to intervene no later than December 24. No applications to intervene were received.

Section 393.1015.2(2), RSMo, allows the Staff of the Commission to file a report regarding AmerenUE's ISRS petition no later than 60 days after it was filed. Staff filed its recommendation on January 29, 2008, advising the Commission to approve AmerenUE's petition as submitted. Staff also recommended the Commission approve AmerenUE's implementing tariff effective on March 29. No party has responded to Staff's recommendation.

In connection with its ISRS application, on December 20, AmerenUE filed a request for approval of various sample notices that will inform its customers of the ISRS. The filing and approval of those notices is required by the Commission's ISRS rule, 4 CSR 240-3.265(9). Staff's recommendation advises the Commission to approve the submitted sample notices.

Based on AmerenUE's verified petition and Staff's recommendation regarding that petition, the Commission concludes that AmerenUE shall be permitted to collect ISRS rates in the amount requested.

IT IS ORDERED THAT:

1. Union Electric Company, d/b/a AmerenUE, is authorized to collect an Infrastructure System Replacement Surcharge sufficient to recover appropriate annual pre-tax revenues in the amount of \$1,211,459.

2. The tariff filed by Union Electric Company, d/b/a AmerenUE, on November 30, 2007, and assigned tariff number YG-2008-0354, is approved, effective March 29,

2008. The tariff sheets approved are:

P.S.C. MO. No. 2

3rd Revised Sheet No. 21, Canceling 2nd Revised Sheet No. 21
1st Revised Sheet No. 34, Canceling Original Sheet No. 34

3. The customer notices submitted by Union Electric Company, d/b/a AmerenUE, on December 20, 2007, are approved.

4. This order shall become effective on March 29, 2008.

5. This case shall be closed on March 30, 2008.
