Issue Date: May 29, 2009

Effective Date: May 29, 2009

On May 15, 2009, Laclede Gas Company filed a status report. Laclede related that since its April report, Staff and Laclede have continued their negotiations regarding the tariff and have made substantial progress. Laclede stated that it continues to work with the parties to narrow the issues. On May 22, 2009, Laclede extended the effective date of Tariff No. JG-2009-0145 to June 29, 2009.

The Commission finds that Laclede shall file another update as set out below, and shall advise the Commission whether it intends to further extend the tariff effective date if the parties have not reached an agreement before the present extension expires.

THE COMMISSION ORDERS THAT:

1. No later than June 19, 2009, Laclede Gas Company shall file a status report or the parties' proposed procedural schedule for this matter, and shall advise whether it intends to further extend the effective date of its tariff if the parties have not reached an agreement regarding the issues.

2. This order is effective upon issuance.
