RE: Special Contracts – Customer Specific

Dear Sir:

Kansas City Power and Light Company (KCP&L) asks the Commission to substitute the enclosed Special Contracts – Customer Specific (Schedule SCCS) for the one submitted April 4, 2006. Missouri PSC Staff and KCP&L have been in discussion, and agree on the need for minor changes to the original filing. Because these changes do not materially affect the tariff's intent, KCP&L is asking that the original effective date remain as May 5.

Thank you for your time and effort devoted to this project. Please contact me if you require any additional information at (816) 556-2274.

Sincerely,

Laura Becker
