Dear Customer:

On March 30, 2004, Hickory Hills Water & Sewer Company, Inc. (Company) submitted a request for a permanent increase in its current water and sewer rates and charges, under the provisions of the Missouri Public Service Commission's small company rate increase procedure. By its request, the Company was seeking increases in its customer rates intended to generate an increase in its annual water and sewer operating revenues of \$9,000 (approximately 108.5%) and \$5,000 (approximately 173%), respectively.

As a result of the Company's request, the Staff of the Public Service Commission (Commission Staff) conducted an independent audit of the Company's books and records, and an investigation of the Company's business and system operations. Based upon the results of its audit and investigation, the Commission Staff has concluded that increases of \$8,178 in the Company's annual water operating revenues and \$4,080 in the Company's annual sewer operating revenues are warranted, and that certain changes to the Company's business operations are warranted. The Company has agreed with the Commission Staff's audit findings and conclusions, and has filed tariff revisions to implement those findings and conclusions. A table summarizing the Company's proposed revisions to its rates, including a monthly customer bill comparison for a residential customer using 6,000 gallons of water, is set out at the end of this notice.

The Office of the Public Counsel (OPC), a state agency responsible for representing the interests of utility consumers before the Commission, has reviewed the results of the Commission Staff's investigation. However, the OPC has not yet taken a final position regarding those results.

Any customer that has questions or comments about the Company's proposed revisions to its rates and charges, or that has comments regarding recent service-related problems, should contact the Commission Staff and/or the OPC, within 20 days of the date of this notice. To do so, please use the mailing addresses, telephone numbers, fax numbers or e-mail addresses shown below, and please include a reference to Commission Case No. **XR-2005-0125 or Commission Case No. XR-2005-0126**.
