The accompanying tariff sheets issued by Union Electric Company d/b/a AmerenUE ("AmerenUE" or the "Company"), are transmitted to you for filing as a revision of Schedule No. 5, Schedule of Rates for Electric Service:

Filed
6 th Revised Sheet No. 207
6 th Revised Sheet No. 208

Canceling
5 th Revised Sheet No. 207
5 th Revised Sheet No. 208

These sheets are being issued August 17, 2006 to become effective on and after September 16, 2006.

The purpose of the filing is to reinstitute AmerenUE's Missouri Change a Light Program through December 2006, change the funding level and the credit per bulb from the earlier program and incorporate minor wording changes which address the application for the rebate.

The program is designed to encourage the replacement of inefficient energy consuming lights, by providing a rebate for a portion of the costs of Energy Star[®] compact fluorescent light bulbs. The Company's participation in such financial incentives is limited to funds allocated for that purpose by the Residential and Commercial Energy Efficiency Collaborative pursuant to the Stipulation and Agreement approved by the Missouri Public Service Commission in Case No. EC-2002-1.

Sincerely,
