**AT&T COMMUNICATIONS' APPLICATION FOR APPROVAL OF
AN INTERCONNECTION AGREEMENT AMENDMENT**

AT&T Communications,¹ pursuant to Section 252(e) of the Telecommunications Act of 1996 (the "Act") and 4 CSR 240-3.513(6)(C), respectfully submits its Application for Approval of an Interconnection Agreement Amendment ("Amendment") by and between AT&T Communications and AT&T Missouri,² and requests that the Missouri Public Service Commission ("Commission") approve the Agreement.

In support of this Application, AT&T Communications states:

1. AT&T Communications is a Delaware corporation with its principal office at One AT&T Way, Bedminster, New Jersey, 07921. It may be contacted at the electronic mail address, facsimile and telephone numbers of its attorneys, as set out under the signature block of this Application. AT&T Communications is authorized to do business in Missouri.³ AT&T Communications is a "local exchange telecommunications company," an "interexchange telecommunications company" and a "public utility," and is duly authorized to provide "telecommunications service" within the State of Missouri, as each of those phrases is defined in Section 386.020, RSMo. 2000.

¹ AT&T Communications of the Southwest, Inc. ("AT&T Communications").

² Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T Missouri").

³ A certified copy of AT&T Communications' Certificate of Good Standing from the Missouri Secretary of State was previously filed with the Commission on October 16, 2007, in Case No. CK-2008-0108.

The Commission must approve the Amendment unless it determines that the Amendment (or any portion thereof): (1) discriminates against a telecommunications carrier not a party to the

6. AT&T Communications states that the Amendment does not discriminate against a telecommunications carrier not a party to the Interconnection Agreement. AT&T Communications further states that the implementation of the Amendment is consistent with the public interest, convenience, and necessity.

WHEREFORE, AT&T Communications respectfully requests that the Commission approve the Interconnection Agreement Amendment between AT&T Communications and AT&T Missouri.
