**Staff Recommendation**

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and for its recommendation states as follows:

1. On November 13, 2008 Green Hills Telephone Corporation (“Green Hills” or “Company”) filed notification with the Missouri Public Service Commission (“Commission”) that Green Hills had elected to waive certain Commission rules and statutory provisions pursuant to RSMo Section 392.420.

2. Green Hills’ reference to RSMo Section 392.420 refers to the statute as revised by the passage of House Bill 1779, which became effective August 28, 2008.

3. Section 392.420, as amended by House Bill 1779, states in relevant part:

In the case of an application for certificate of service authority to provide basic local telecommunications service filed by an alternative local exchange telecommunications company, and for all existing alternative local exchange telecommunications companies, the commission shall waive, at a minimum, the application and enforcement of its quality of service and billing standards rules, as well as the provisions of subsection 2 of section 392.210, subsection 1 of section 392.240, and sections 392.270, 392.280, 392.290, 392.300, 392.310, 392.320, 392.330, and 392.340. Notwithstanding any other provision of law in this chapter and chapter 386, RSMo, *where an alternative local exchange telecommunications company is authorized to provide local exchange telecommunications services in an incumbent local exchange telecommunications company's authorized service area, the incumbent local exchange telecommunications company may opt into all or some of the above-listed statutory and commission rule waivers by filing a notice of election with the commission that specifies which waivers are elected.*

(Emphasis added).

4. Green Hills is an incumbent local exchange telecommunications company as that term is used in Section 392.420. Furthermore, in the attached Memorandum, labeled as Appendix A, Staff states its position that prior Commission cases, along with the most recent annual reports submitted by companies, adequately demonstrate that alternative local exchange telecommunications companies are authorized to provide service in the Company's territory, although there is no evidence that any are currently providing service in the Company's territory.

5. Green Hills is currently compliant in obligations relating to Commission assessment, Missouri Universal Service Fund, Relay Missouri, and the submission of an annual report.

WHEREFORE, Staff recommends that the Commission acknowledge Green Hills' election to opt into the waivers listed in its Notice of Election for Waivers and direct Green Hills to file tariff pages in compliance with the waivers that designate the rules and statutes waived.

Respectfully submitted,

To: Missouri Public Service Commission Official Case File  
Case No. IE-2009-0183, IE-2009-0184, IE-2009-0185, and IE-2009-0186  
Company Name: Kingdom Telephone Company, Fidelity Telephone Company,

Subject: Request for Waivers

Date: November 20, 2008

Kingdom Telephone Company, Fidelity Telephone Company, Green Hills Telephone Company, and Miller Telephone Company, incumbent local exchange and competitive telecommunications companies, filed a Notice of Election for Waiver of Commission Rules and Statutes pursuant to Section 392.420, RSMo, as amended by House Bill 1779, effective August 28, 2008. The Commission Staff (Staff) has no objections to the requested waivers identified in the filings.

In Case No. TA-2009-0083, Verizon Access Transmission Services (Verizon) obtained authority to expand its certificated area to provide service in all Missouri exchanges, including those of the above named incumbent local exchange carriers. In Case No. TA-2009-0108, XO Communications Services, Inc. (XO) obtained authority to expand its certificated area to provide service in all Missouri exchanges, including those of the above named incumbent local exchange carriers. Although both Verizon and XO were granted statewide authority, Staff notes that neither carrier has filed the necessary tariffs to effectuate its certificate and neither carrier has indicated the presence of customers in any area served by the above named local exchange carriers.

In Case No. DA-2009-0096, Verizon Business Services was issued a VoIP registration to provide service statewide. In Case No. DA-2009-0107, XO was issued a VoIP registration to provide service statewide. Although these VoIP telephone companies have been granted authority to provide service in the above named company areas, Staff notes that neither Verizon or XO have as yet indicated the presence of customers in any area served by the above named local exchange carriers.

Kingdom Telephone Company, Fidelity Telephone Company, Green Hills Telephone Company, and Miller Telephone Company requests the Commission waive the following:

4CSR 240-3.550 (4) and (5) (A)  
4CSR 240-32.060

392.300  
392.310  
392.320  
392.330

\* Waiver of this section has been requested by Kingdom Telephone only.

Staff recommends the Commission grant to the companies all of the waivers listed above and direct the companies to list these waivers in the tariffs.
