## ORDER DIRECTING NOTICE AND MAKING CRICKET COMMUNICATIONS, INC. A PARTY

Issue Date: August 25, 2009

Effective Date: August 25, 2009

This order provides notice of this application to interested parties and joins the other party to the interconnection agreement, Cricket Communications, Inc., as a party to this proceeding.

On August 24, 2009, Southwestern Bell Telephone Company d/b/a AT&T Missouri filed an application with the Commission for approval of an amendment to the interconnection agreement with Cricket under the provisions of the federal Telecommunications Act of 1996. AT&T Missouri states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest.

Although Cricket is a party to the agreement, it did not join in the application. Because Cricket is a necessary party to a full and fair adjudication of this matter, the Commission will add it as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the

agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

**THE COMMISSION ORDERS THAT:**

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Cricket Communications, Inc. is made a party to this case.
