Issue Date: September 14, 2010

Effective Date: September 18, 2010

On September 8, 2010, the Commission issued an Order Approving Infrastructure System Replacement Surcharge and Rejecting Tariff. As part of that order, the Commission authorized Missouri Gas Energy, a Division of Southern Union Company, to establish an Infrastructure System Replacement Surcharge (ISRS) to recover annual revenues of \$1,379,866.

On the same day, the company filed a tariff sheet intended to implement the ISRS approved by the Commission. Further, the company requested that the tariff sheet be approved to go into effect by September 18.

To accommodate the company's request for expedited treatment, the Staff of the Commission filed a memorandum on September 13, informing the Commission that the tariff sheet complies with the Commission's order and recommending that the Commission approve the sheet to go into effect on September 18.

The Commission has reviewed the verified pleadings and finds that the tariff sheet complies with the Commission's order. The Commission will therefore approve the sheet to go into effect on September 18.

THE COMMISSION ORDERS THAT:

1. Missouri Gas Energy, a Division of Southern Union Company's request for expedited treatment is granted.

2. The following tariff sheet, Tariff File No. YG-2011-0119, is approved to become effective on September 18, 2010:

3. This order shall become effective on September 18, 2010.

4. This case shall be closed on September 19, 2010.
