

File No. EO-2012-0142, and approved by the Commission as a compliance tariff sheet in the Company's most recent rate case, File No. ER-2012-0166. The electric program will begin on March 1, 2013.

3. Additionally, this natural gas program modifies existing ceiling insulation measure qualifications in two places, as a stand-alone rebate measure and under the Residential Home Energy Audit Improvement program.

4. Staff believes that Ameren has shown good cause for approval of the subject tariffs on an expedited basis since it will allow the Company's launch of the natural gas HEP program to coincide with the launch of the electric HEP program.

5. Staff has reviewed the filed tariff sheets and recommends the Commission issue an order approving the following tariff sheets, as filed on February 1, 2013, to go into effect on an expedited basis on March 1, 2013:

P.S.C. MO. No. 2

2nd Revised Sheet No. 72,	Cancelling 1st Revised Sheet No. 72
2nd Revised Sheet No. 73,	Cancelling 1st Revised Sheet No. 73
2nd Revised Sheet No. 74,	Cancelling 1st Revised Sheet No. 74
Original Sheet No. 74.1	
Original Sheet No. 74.2	
Original Sheet No. 74.3	
9th Revised Sheet No. 81,	Cancelling 8th Revised Sheet No. 81
1st Revised Sheet No. 81.1,	Cancelling Original Sheet No. 81.1

WHEREFORE, Staff recommends the Commission issue an order approving the subject tariff sheets, as filed on February 1, 2013, to go into effect on an expedited basis on March 1, 2013, and making such further orders as the Commission deems proper.

Respectfully submitted,

/s/ Jeffrey A. Keevil
