Service Agreement )**

**Case No. WO-2008-0301**

**STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission and, for its Status Report, states to the Missouri Public Service Commission as follows.

On March 11, 2008, Missouri-American Water Company filed its Application for the Approval of Agreement in this case. On April 3, the Commission ordered the Staff to file a recommendation or, in the alternative, a status report stating when it plans to file its recommendation.

The Staff has reviewed the subject agreement, and believes that Rule 10 of the Company's sewer tariff does not require that the agreement be submitted to the Commission for approval, as the Company supposes. However, the Staff also believes that the agreement may not fully comply with the provisions of Rule 11 of the Company's sewer tariff. Due to the press of other business, the Staff has not been able to fully investigate this issue, and the options that may be available. The Staff proposes to file its recommendation in this case by no later than April 30, 2008.

**WHEREFORE**, the Staff submits this Status Report.

Respectfully submitted,

/s/ **Keith R. Krueger**
