FILING FORMAT

A. Sheet Numbering: Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the filing. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between pages 11 and 12 would be page 11.1.

B. Sheet Revision Numbers: Revision numbers also appear in the upper right corner of each sheet where applicable. These numbers are used to indicate the most current page version on file with the Commission. For example, 4th Revised Sheet 13 cancels 3rd Revised Sheet 13. Consult the Check Sheet for the sheets currently in effect.

C. Paragraph Numbering Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1
- 2.1.1
- 2.1.1.A
- 2.1.1.A.1
- 2.1.1.A.1.(a)
- 2.1.1.A.1.(a).I
- 2.1.1.A.1.(a).I.(i)
- 2.1.1.A.1.(a).I.(i).(1)

D. Check Sheets: When a filing is made with the Commission, an updated Check Sheet accompanies the filing. The Check Sheet lists the sheets contained in the filing, with a cross reference to the current Revision Number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some sheets). The user should refer to the latest Check Sheet to find out if a particular sheet is the most current on Commission file.

2.4 Special Accommodations

Any hearing, visual or speech impaired persons interested in applying for a specially equipped handset must specify the need(s) in the application and the Company will make every effort to assist such customer in obtaining a handset and at the same time be in compliance with all applicable laws, rules, and regulations.

All federal, state and local taxes, assessments, surcharges, or fees, including sales taxes, use taxes, gross receipts taxes, and municipal utilities taxes, are not included in the rates quoted herein, with the exception of the Plans in Section 5.2 and 5.3 below.

2.6 Coverage Maps

Coverage maps may be found on the Company's website, www.iwirelesshome.com. These maps are for general informational purposes only. The Company does not guarantee coverage or service availability. Even within a coverage area, factors such as terrain, weather, structures, foliage, signal strength, traffic volumes, service outages, network changes, technical limitations, and equipment may interfere with actual service, quality and availability. Actual coverage and service areas may vary from the maps and may change without notice.

Quality of service may be affected by conditions beyond the Company's control, including atmospheric, geographic, or topographic conditions, or by damage to your mobile phone. The Company does not warrant or guarantee that service will be available at any specific time or geographic location, or that service will be provided without interruption.

Improper, illegal or unauthorized use of the Company phone is a violation of this agreement and may result in immediate discontinuance of Services and legal action. The Company will prosecute violators to the full extent of the law. Customers must agree that any violation of their agreement through their improper, illegal or unauthorized use or sale of their Company phone shall entitle the Company to recover liquidated damages from customer in an amount of not less than \$5,000 per Company handset purchased, sold, acquired or used in violation of this agreement.

- F. SIM cards: If a Company phone has a SIM card, then customer must agree to safeguard the SIM card and not to allow any unauthorized person to use the SIM card. Customer must agree not to allow any other person to, directly or indirectly alter, bypass, copy, deactivate, remove, reverse-engineer or otherwise circumvent or reproduce the encoded information stored on, or the encryption mechanisms of, the SIM card. The Underlying Carriers, Company, or its service providers, may, from time to time, remotely update or change the encoded information on the SIM card. The Company phone is restricted from operating when customers are located anywhere outside of the United States, including offshore or in international waters. THE COMPANY EXPRESSLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES. THE COMPANY DOES NOT PROMISE ERROR-FREE OR UNINTERRUPTED SERVICE AND DOES NOT AUTHORIZE ANYONE TO MAKE WARRANTIES ON ITS BEHALF.

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Handset Activation

If a customer's Lifeline activation is accepted, the customer will receive a handset, complete with charger, delivered to the home address noted in their application. They will also receive a welcome kit with the Company's terms and conditions of service and a "Getting Started" guide. The customer will be directed to contact customer service in order to elect the rate plan option of their choice.

The wireless telecommunications networks used to transmit calls for the Lifeline service are owned and operated by the Company's Underlying Carrier(s), not the Company.

Access Wireless handsets can only be used through the Company, and cannot be activated with any other wireless service.

Services are provided at the Company's discretion. Some functions and features referenced in the Manufacturer's manual provided with the handset may not be available on all Company handsets.

3.2 Airtime Usage

Airtime minutes will be deducted for all time during which an Access Wireless phone is connected to, or using, the wireless system of the Underlying Carrier.

Use of a wireless system typically begins when the user presses the "send," "call" or other key to initiate or answer a call and does not end until the user presses the "end" key or the call is otherwise terminated.

Airtime minutes are deducted for all incoming and outgoing calls, including incoming call waiting calls, calls to toll free numbers, 411, Customer Care (on Plan Option 2 only), and to access voice mail.

Airtime minutes are not deducted for calls to 911.

For outbound calls, the user may be charged airtime for incomplete and/or busy-no answer calls. Airtime minutes will be deducted for use of other services such as text messaging and accessing the web and downloading content to your Access Wireless phone depending on the rate plan option chosen. No credit or refund is given for dropped calls.

Calls are billed in one-minute increments, with a minimum time per call of one minute. Call times are rounded up to the nearest whole minute. Calls are limited to two hours: if a user is on a call for longer than two hours, the call will automatically terminate.

A customer's handset does not have to be "on" to receive its free monthly allotment of minutes.

A customer may check the balance of their account at any time free of charge at www.iwirelesshome.com or from their mobile phone.

3.3 Additional Airtime

A customer can add airtime using their mobile phone interface, by calling customer service, or by purchasing airtime cards at an authorized distributor, including the Kroger family of stores such as Kroger, Ralphs, Dillons, Fred Meyer, Smith's, King Soopers, City Market, Fry's, Baker's, Owen's, JayC, Hilander, Gerbes, Scott's & Pay Less.

Airtime cards are available in denominations of \$10, \$25, \$50 and \$75 and are valid for 90 calendar days from the date of activation for Lifeline customers. After 90 days, any remaining value will expire, except that if a new airtime card is added before expiration of the period, in which case the expiration on all remaining airtime extends to the expiry date of the new airtime card.

The use or disclosure of information concerning enrollees will be limited to purposes directly connected with the administration of the Lifeline plan.
- (C) If a Customer receives a notice from the Company requesting confirmation of eligibility status, the Customer must do so within 30 days after receiving such notice.

In the event that a Lifeline customer goes 60 days without any usage, independent of the service end date, the Company will promptly notify the customer that they are no longer eligible for Lifeline service subject to a 30-day grace period. During the 30-day grace period, the customer's account will remain active, but the Company will engage in outreach efforts to determine whether the customer desires to remain on the Company's Lifeline service.
