

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Windstream Missouri, Inc. for Approval of a Resale Agreement with Spectrotel, Inc., d/b/a One Touch Communications, d/b/a Touch Base Communications Under 47 U.S.C. Section 252

**ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND
MAKING SPECTROTEL, INC. D/B/A ONE TOUCH COMMUNICATIONS,
D/B/A TOUCH BASE COMMUNICATIONS A PARTY**

Issue Date: July 23, 2012

Effective Date: July 23, 2012

Syllabus: This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the proposed resale, Spectrotel, Inc., d/b/a One Touch Communications, d/b/a Touch Base Communications (“Spectrotel”), as a party to this proceeding.

On July 20, 2012, Windstream Missouri, Inc. (“Windstream”) filed an application with the Commission for approval of a resale agreement with Spectrotel under the provisions of the federal Telecommunications Act of 1996, specifically 47 U.S.C. Section 252. Choctaw Telephone Company states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

Although Spectrotel is a party to the agreement, it did not join in the application. Because Spectrotel is a necessary party to a full and fair adjudication of this matter, the Commission will add Spectrotel as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a

telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Spectrotel, Inc., d/b/a One Touch Communications, d/b/a Touch Base Communications is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than August 7, 2012, with:

Steven C. Reed, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

Or by using the Commission's electronic filing and information service.

4. The Staff of the Commission shall file a recommendation advising either approval or rejection of this agreement and giving the reasons therefor no later than August 21, 2012.
5. This order shall become effective upon issuance.
