BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of a Union Electric Company d/b/a) Ameren Missouri's Cost Allocation Manual (CAM).) File No. EO-2017-0176

NOTICE OF COST ALLOCATION MANUAL SUBMISSION

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "Company") and gives notice that it has submitted its Cost Allocation Manual ("CAM") applicable to its electric and gas operations for calendar year 2018, as required by the Commission's Affiliate Transactions Rules and in accordance with the variance granted it respecting the due date for the CAM in File No. EE-2019-0076. With respect to this Notice, Ameren Missouri states as follows:

1. Pending in this docket is a CAM for calendar year 2017 agreed upon between Ameren Missouri and the Staff of the Commission. Because this docket has not yet been resolved, the Commission has not yet taken up approval of the 2017 CAM.

2. A CAM submittal is required each year and Ameren Missouri's CAM submittal for 2018 is due May 15, 2019. That CAM submittal is in all material respects the same as the 2017 CAM previously submitted in this docket except for updated information for calendar year 2018.

3. Please note that because the 2018 CAM supersedes the 2017 CAM, Ameren Missouri will request that the Commission approve the 2018 CAM. That request will be made in its pre-filed testimony to be submitted in this docket on or before June 14, 2019.

Respectfully submitted,
