

In the Matter of the Application for)
Approval of an Amendment to the Traffic)
Termination Agreement with Verizon)
Wireless d/b/a Verizon Wireless (Verizon)

STAFF RECOMMENDATION

1. On October 30, 2012, Mark Train Rural Telephone Company (“the Company”) filed an application with the Commission for approval of an amendment to a traffic termination agreement with Verizon Wireless, under the provisions of the federal Telecommunications Act of 1996. The Company states that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers. The Company is certificated with the Commission as an Incumbent Local Exchange Telecommunications Company; Verizon Wireless, a wireless carrier, is not regulated by the Commission.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff herein states that the amendment to the interconnection agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Agreement was filed with the Application.

4. Neither Company is delinquent in filing applicable annual reports, paying PSC assessments, or paying MoUSF and Relay Missouri surcharges.

WHEREFORE, Staff recommends the Commission approve the Application and direct the parties to submit to the Commission any subsequent modifications or amendments to the Interconnection Agreement.

Respectfully submitted,
