**NOTICE CLOSING CASE**

On January 11, 2005, the Commission issued its Order Granting Additional Numbering Resources. On April 19, 2005, CenturyTel of Missouri, LLC, filed its report indicating that the North American Number Plan Administrator issued CenturyTel 2,000 numbers, rather than the anticipated 10,000 numbers, on February 19, 2005. Consequently, CenturyTel did not have to return 8,000 numbers as previously anticipated. CenturyTel also notes that all actions contemplated by the Commission's January 2005 order have now occurred.

No further Commission action is required. Therefore, this case may now be closed.
