NOTICE OF CENTURYTEL OF MISSOURI, LLC

COMES NOW CenturyTel of Missouri, LLC ("CenturyTel") pursuant to Commission Rule 4 CSR 240-2.080, and for its Notice respectfully states as follows:

1. On August 9, 2007, CenturyTel filed its verified Application for Review and Reversal of the North American Number Plan Administrator's Decision to Withhold Numbering Resources for the Warrenton, Wentzville, Defiance, Dardenne and Moscow Mills, Missouri Rate Centers pursuant to Commission Rules 4 CSR 240-37.040 and 4 CSR 240-2.060 and federal rule 4 C.F.R. 52.15(g)(3)(iv), initiating the above-referenced matter.

2. On August 14, 2007, the Commission issued its *Order Directing Notice, Establishing Time for Filing Requests to Intervene, and Establishing Time for Filing Recommendations* in this matter. No party has filed an application to intervene in this proceeding.

3. On August 27, 2007, pursuant to discussions with the Staff of the Commission, CenturyTel amended its original application as follows:

(a) CenturyTel amended its request for two blocks of 1,000 numbers in the MCA NXX code of 636-887 assigned to the Wentzville, Missouri rate center to a request of only one block of 1,000 numbers in the MCA NXX code of 636-887;

(b) CenturyTel amended its request for one block of 1,000 numbers in a new non-MCA NXX code to be assigned to the Warrenton, Missouri rate center to a request for one block of 1,000 numbers in the existing non-MCA NXX code of 636-235.

4. Pursuant to additional discussions with the Staff of the Commission and Commission Counsel, CenturyTel resubmitted a request to the North American Number Plan Administrator ("NANPA") for the Warrenton, Missouri rate center for one block of 1,000 numbers in the non-MCA NXX code of 636-235, with the belief that the NANPA would grant a request that did not require it to open a new 10,000 block NPA-NXX.

5. On August 31, 2007, CenturyTel's request for one block of 1,000 numbers in the non-MCA NXX code of 636-235 assigned to the Warrenton, Missouri rate center was granted, thereby making CenturyTel's request for review and reversal of the NANPA's decision, as it pertains to the Warrenton rate center, no longer necessary. CenturyTel, therefore, withdraws its request for review and reversal of the NANPA's decision to withhold numbering resources for the Warrenton, Missouri rate center.

6. CenturyTel hereby renews its request that the Commission review and reverse the NANPA's Decision to withhold numbering resources in the Wentzville, Defiance, Dardenne and Moscow Mills, Missouri Rate Centers and instruct NANPA to release the numbering resources necessary to meet the needs of CenturyTel's customers in the remaining four specified exchanges.

Wherefore, CenturyTel respectfully submits its Notice in its Application for Review and Reversal of the North American Number Plan Administrator's Decision to Withhold Numbering Resources for the Warrenton, Wentzville, Defiance, Dardenne and Moscow Mills, Missouri Rate Centers.

Respectfully submitted,
