Service Commission

To whom this may concern at the Missouri Public Service Commission. As of May 31, 2018 as my wife as well I sent a email last week on Thursday June 7, 2018 advising that we both filed bankruptcy in the United States Bankruptcy Court (case # 18-43581). I or my wife are no longer able to discuss this matter with Spire or is Spire allowed to discuss this matter with us. If Spire wishes to discuss this matter they can reach out to the retainer we have hired for our ~~the~~ bankruptcy matter.

Respectfully Submitted
