Dear Ms. Cadlec:

Pursuant to Section 536.041 RSMo 2000, please be advised that the Public Service Commission has been petitioned to open a docket concerning emergency amendments to this agency's "Cold Weather Rule" (4 CSR 240-13.055). At this time, the Commission has reached no conclusion about whether to grant or deny the requests contained in the Petition. If it is determined that amendments to the rule are necessary and appropriate, you will be notified of that decision and receive all documentation required under §536.025. We will also notify you if the Commission determines that the matter should be closed without action.

Enclosed are copies of the Petition and the attached proposed amendment. If you have any questions concerning this matter or require further information, please do not hesitate to contact me.

Sincerely,

  
Jeff Davis
