Dear Secretary:

Enclosed herewith for filing with the Missouri Public Service Commission is FORM NO. 13 P.S.C. MO. No.1 19th Revised Sheet No. 29 which is applicable to that portion of the service territory of Laclede Gas Company that was formerly served by Fidelity Natural Gas, Inc.. The Commission approved the Company's adoption of Fidelity's tariff on April 17, 2006 in Case No. GM-2006-0183. This revised tariff sheet, which has an issue date of November 3, 2006, and an effective date of November 20, 2006, reflects the scheduled Winter Purchased Gas Adjustment ("PGA") filing for the Company's Sullivan customers as provided by Sheet No. 22 of the tariff. Such revised PGA includes changes to both the RPGA and the Actual Cost Adjustment ("ACA") factors.

As a result of this filing, the Company's underlying charge for gas will decrease from approximately \$1.20 per ccf to \$.85 per ccf primarily due to the decrease in wholesale natural gas prices that has occurred since the existing PGA factors became effective in November 2005.

Sincerely,

Kenneth J. Neises
Executive Vice President
