- 1.4 **Electric Power Provider** shall mean any other electric corporation and/or rural electric cooperative.
- 1.5 **Existing Structure** shall mean any structure that receives electric energy from either party prior to or on the Effective Date of this Agreement. "Existing Structure" shall also mean:
 - A. Any replacement of an Existing Structure ("Replacement Structure"), provided said Replacement Structure is (1) located completely within the boundary of the property on which the Existing Structure is located, (2) used for the Same Purpose as the Existing Structure it is replacing, and (3) that the Existing Structure is totally removed from the property within six months of completion of the Replacement Structure.

ARTICLE 2.

EXCLUSIVE RIGHT TO SERVE

- 2.1 Pursuant to Section 394.312 RSMo (2000), this Agreement designates the boundaries of the electric service area of Gascoage and Three Rivers. In this Agreement, Three Rivers

agrees not to serve New Structures in an area described in Article 3, hereinafter referred to as the Exclusive Service Area of Gascosage. Likewise, Gascosage agrees not to serve New Structures in an area described in Article 4, hereinafter referred to as the Exclusive Service Area of the Three Rivers. Because Section 394.312 RSMo. 2000 permits electric suppliers to displace competition only by a written agreement, parties that are not signatories to this Agreement are in no way affected by the terms of this Agreement, including but not limited to, the exclusive service area boundaries set forth herein.

- 2.2 After the Effective Date, as between the parties, each party shall have the exclusive right to furnish electric service to all New Structures located within its respective Exclusive Service Area described in Articles 3 and 4 of this Agreement, regardless of the size of the load or the characteristics of the customer's requirements. Except as provided expressly herein, neither party may furnish, make available, render, or extend electric service to New Structures or for use within the exclusive service area of the other party, either directly, indirectly, through a parent, affiliate, or subsidiary of Gascosage or Three Rivers, whether said parent, affiliate, or subsidiary be a corporation, limited liability company, partnership, or cooperative corporation.
- 2.3 Both Parties retain the right to furnish electric service to all Existing Structures that they are serving by either permanent or temporary electric service on the Effective Date of this Agreement, regardless of their location.
- 2.4 During the time period between the filing date of this Agreement with the Commission and the Effective Date of the Agreement, if a customer requests new electric service for a Structure located in the Exclusive Service Area of one party from the other party, the parties will meet and determine the party and means to serve the Structure. In the event the parties cannot agree, the new Structure shall be served by the party whose customer equipment is located closer to the new Structure.
- 2.5 The parties recognize and agree that this Agreement places limits on the party's abilities to distribute retail electric energy. In the event that retail wheeling of unbundled electric energy becomes available in the territory affected by this Agreement, (i.e., retail customers are permitted to choose their suppliers of electric energy), nothing in this

Agreement shall be construed to limit in any way the ability of either party to furnish electric energy to Structures located in the Exclusive Service Area of the other party; provided, however, that the electric energy shall be delivered to said Structures by means of the electric distribution facilities of the party in whose Exclusive Service Area the Structures are located. Further, in the event changes in this Agreement are required due to retail wheeling of unbundled electric energy becoming available in the territory affected by this Agreement, both parties agree to negotiate in good faith changes to this Agreement and the parties shall cooperate in obtaining approval of the modified agreement by participating in the joint application requesting Missouri Public Service Commission (hereinafter the "Commission") approval, if required.

ARTICLE 3.

EXCLUSIVE SERVICE AREA OF GASCOSAGE

The Exclusive Service Area of Gascosage, as between the parties under this Agreement shall be those portions of Camden County (Exhibit A-1), Maries County (Exhibit A-2), Miller County (Exhibit A-3), Phelps County (Exhibit A-4) and Pulaski County (Exhibit A-5) as described by metes and bounds in Exhibit B and as illustrated by the lines shown on the above-referenced Exhibits. All exhibits referred to in this Article are incorporated herein by reference and made a part of this Agreement, as if fully set out verbatim. In cases of conflict between the maps (Exhibits A-1 to A-5) and the written legal descriptions by metes and bounds in Exhibit B, the legal written descriptions shall prevail. Gascosage may serve within municipalities that are located in Gascosage's Exclusive Service Area, pursuant to this Agreement.

ARTICLE 4.

EXCLUSIVE SERVICE AREA OF THREE RIVERS

The Exclusive Service Area of Three Rivers, as between the parties under this Agreement shall be those portions of Cole County (Exhibit C-1) Franklin County (Exhibit C-2), Gasconade County (Exhibit C-3), Maries County (Exhibit C-4), Miller County (Exhibit C-5), Moniteau County (Exhibit C-6), and Osage County (Exhibit C-7), as described by metes and bounds in Exhibit D and as illustrated by the lines shown on the above-referenced Exhibits. All exhibits referred to in this Article are incorporated herein by reference and made a part of this Agreement

as if fully set out verbatim. In cases of conflict between the maps (Exhibits C-1 to C-7 and the written legal descriptions by metes and bounds in Exhibit D, the legal written descriptions shall prevail. Three Rivers may serve within municipalities that are located in Three Rivers' Exclusive Service Area, pursuant to this Agreement.

ARTICLE 5.

OTHER ELECTRIC POWER PROVIDERS

- 5.1 Neither Gascoage or Three Rivers will purchase, acquire, or trade customers and/or territory, which are/is located within the exclusive service territory of the other party as described in this agreement, with AmerenUE, its successors and/or assigns, or any other electric power provider, unless said party has received written notification that the other party has no desire to acquire the customers and/or territory being proffered by AmerenUE or any other electric power provider.
- 5.2 The exclusive service area of Gascoage as defined in Article 3 includes other Electric Power Providers. Notwithstanding any other provision of this Agreement, should any Electric Power Provider cease to operate and maintain its electric facilities and sell such facilities, merge, or otherwise transfer the service and facilities to Three Rivers or Three Rivers' surviving entity (as provided in paragraph 5.1), Three Rivers and/or its surviving entity shall have the power to serve the Structures which are receiving permanent service, as that term is defined in § 394.315 RSMo. (2000), from said Electric Power Provider and/or Three Rivers as of the date Three Rivers and the Electric Power Provider close and consummate the sale and/or merger (hereinafter "Reorganization Date").
- 5.3 Following the purchase, merger or other acquisition of any other Electric Power Provider's facilities by Three Rivers and the receipt of all required regulatory approvals, Gascoage and Three Rivers shall within twelve (12) months after the Reorganization Date submit an amendment to this Agreement ("the Amendment") to the Missouri Public Service Commission modifying this Agreement as follows:
 - A. For all other counties covered by this Agreement, the parties shall determine if a territorial agreement between Gascoage and the Electric Power Provider exists

prior to the Reorganization Date. If a territorial agreement does exist, then the Exclusive Service Area of the other Electric Power Provider as defined in the Territorial Agreement between Gascosage and the other Electric Power Provider shall be excluded from the Exclusive Service Area of Gascosage in the Amendment to this Agreement.

- B. If no territorial agreement exists between Gascosage and the other Electric Power Provider as of the Reorganization Date, Gascosage and Three Rivers shall submit an Amendment which removes all U.S. Surveys/ sections, and any U.S. Surveys/ sections adjacent to those U.S. Survey/ sections, where the Electric Power Provider had Customer Service Equipment and customers/members, from the Exclusive Service Area of Gascosage as defined in this Agreement; and either party may serve any New Structures in these affected U.S. Survey/ sections as if no territorial agreement exists; provided, however, that no U.S. Survey/ section or part of any U.S. Survey section within Maries, Miller, Phelps and Pulaski Counties located within the municipal limits of any municipality whose population is in excess of 1500 or the statutory limit as set out in Chapter 394 RSMo. (2000), will be deleted from the Gascosage's Exclusive Service Area.
- C. Nothing in this Section prohibits the parties in the Amendment from establishing new exclusive service areas in the affected service area in lieu of the above procedures.

- 5.4 The exclusive service area of Three Rivers as defined in Article 4 includes other Electric Power Providers. Notwithstanding any other provision of this Agreement, should any Electric Power Provider cease to operate and maintain its electric facilities and sell such facilities, merge, or otherwise transfer the service and facilities to Gascosage, or Gascosage's surviving entity (as provided in paragraph 5.1), Gascosage and/or its surviving entity shall have the power to serve the Structures which are receiving permanent service, as that term is defined in § 394.315, RSMo. (2000), from said Electric Power Provider and/or Gascosage as of the date Gascosage and the Electric Power

Provider close and consummate the sale and/or merger (hereinafter "Reorganization Date").

5.5 Following the purchase, merger or other acquisition of any other Electric Power Provider's facilities by Gascosage and the receipt of all required regulatory approvals, Gascosage and Three Rivers shall within twelve (12) months after the Reorganization Date submit an amendment to this Agreement ("the Amendment") to the Missouri Public Service Commission modifying this Agreement as follows:

- A. For all other counties covered by this Agreement, the parties shall determine if a territorial agreement between Three Rivers and the Electric Power Provider exists prior to the Reorganization Date. If a territorial agreement does exist, then the Exclusive Service Area of the other Electric Power Provider as defined in the Territorial Agreement between Three Rivers and the other Electric Power Provider shall be excluded from the Exclusive Service Area of Three Rivers in the Amendment to this Agreement.
- B. If no territorial agreement exists between Gascosage and the other Electric Power Provider as of the Reorganization Date, Gascosage and Three Rivers shall submit an Amendment which removes all U.S. Surveys/ sections, and any U.S. Surveys/ sections adjacent to those U.S. Survey/ sections, where the Electric Power Provider had Customer Service Equipment and customers/members, from the Exclusive Service Area of Gascosage as defined in this Agreement; and either party may serve any New Structures in these affected U.S. Survey/ sections as if no territorial agreement exists; provided, however, that no U.S. Survey/ section or part of any U.S. Survey section within Cole, Franklin, Gasconade, Maries, Miller, Moniteau, and Osage Counties located within the municipal limits of any municipality whose population is in excess of 1500 or the statutory limit as set out in Chapter 394 RSMo. (2000), will be deleted from the Three River's Exclusive Service Area.

- C. Nothing in this Section prohibits the parties in the Amendment from establishing new exclusive service areas in the affected service area in lieu of the above procedures.

ARTICLE 6.

OTHER ELECTRIC SYSTEMS

- 6.1 The Exclusive Service Area of the Parties as defined in Article 3 and Article 4 includes municipally-owned electric facilities. Notwithstanding this Agreement, should any of these Municipalities desire to sell their electric facilities, and should the party whose exclusive service territory does not contain said Municipal facilities, desire to purchase said facilities, said party may purchase the Municipality's facilities, and the Parties agree to amend this Agreement to remove the incorporated boundaries of said municipality as it exists on the date of sale so as to allow the acquiring party to serve the acquired facilities.

ARTICLE 7

LOCATION OF A STRUCTURE

- 7.1 The location of a Structure for purposes of this Agreement shall be the geographical location at which electric energy is used, regardless of the metering point or point of delivery.
- 7.2 The first owner of a New Structure who requests and receives electric service at said Structure which is located on or crossed by any mutual boundary line, as described in Articles 3 and 4, defining the Exclusive Service Areas of the parties shall be permitted to choose either party for permanent electric service; provided that the Customer's meter is installed within that party's Exclusive Service Area. Thereafter, that party shall exclusively serve that Structure.

- 7.3 A party may provide electric service to a New Outbuilding located in the Exclusive Service Area of the other party, so long as (i) the New Outbuilding is located within the contiguous tract of land on which that party's customer's Structure is located and the New Outbuilding shall not be used for commercial or industrial purposes or (ii) the other party consents in writing. This section shall not apply to a customer who receives electric service from both Gascosage and Three Rivers on the same tract of land, and requests additional electric service. The New Outbuildings for these customers shall be served by the designated exclusive service provider, unless the customer, Gascosage, and Three Rivers agree otherwise and follow the procedures set out in Article9.

ARTICLE 8

RIGHT TO CONSTRUCT FACILITIES

This Agreement shall in no way affect either party's right to construct such electric generation, distribution and transmission facilities within the designated Exclusive Service Area of the other as that party deems necessary, appropriate or convenient to provide electric service to its customers not inconsistent with the terms of this Agreement and as otherwise allowed by law.

ARTICLE 9

CASE-BY-CASE EXCEPTION PROCEDURE

- 9.1 The parties may agree on a case-by-case basis by an Addendum hereto to allow a Structure to receive service from one party although the Structure is located in the Exclusive Service Area of the other party.
- 9.2 Such Addendum shall be filed with the Executive Secretary of the Commission in the same manner as a motion or other pleading, with a copy submitted to the Office of Public Counsel. There will be no filing fee for these addenda.
- 9.3 Each Addendum shall consist of a statement identifying the Structure, the party to serve the Structure, the justification for the Addendum, and indicating that the parties support the Addendum.

- 9.4 Each Addendum shall be accompanied by a statement, signed by the customer to be served, which acknowledges such customer's receipt of notice of the contemplated electric service to be provided, and that the Addendum represents an exception to the territorial boundaries approved by the Commission and shall indicate the customer's consent to be served by the service provider contemplated by the Addendum.
- 9.5 If the Commission Staff or Office of the Public Counsel do not submit a pleading objecting to the Addendum within forty-five (45) days of the filing thereof, the Addendum shall be deemed approved by the aforesaid parties. Each Addendum shall contain a statement in bold uppercase typeface indicating that the Staff or Office of the Public Council have forty-five (45) days to oppose the Addendum or else the Addendum shall be deemed approved by the aforesaid parties.
- 9.6 Each party, pursuant to an executed Addendum, shall have the right to provide temporary service, as defined in Section 394.312 RSMo. (2000), until the Commission approves or disapproves the Addendum. No party shall be required to remove any facilities installed pursuant to an agreement until the effective date of an Order of the Commission or a court regarding the removal of same.

ARTICLE 10

TERM AND CONDITIONS OF PERFORMANCE

- 10.1 **Term of Agreement.** The term of this Agreement shall be perpetual unless terminated by the parties in accordance with Article 11, Termination.
- 10.2 **Conditions of Performance.** Performance of the parties is contingent upon all of the following having occurred no later than April 1, 2004 unless such condition is waived, extended or modified by agreement, in writing, signed by an officer of each party hereto:
- A. All required approvals of both Gascosage's and Three Rivers' Board of Directors, if required;
 - B. Approval of this Territorial Agreement by the Commission, which shall, as a minimum, consist of an order (i) approving this Agreement and (ii) a finding that

this Agreement does not impair Gascosage's certificates of convenience and necessity, except as specifically limited by the Agreement;

- 10.3. This Agreement shall be submitted to the Board of Directors of both Gascosage and Three Rivers for approval. Once approved by each party's board of directors, each board member and officer of Gascosage and Three Rivers agree to support the approval of this Agreement as being in the public interest. To this end, each party will cooperate in presenting a joint application showing that this Agreement is in the public interest. Further, no board member or officer of Gascosage or Three Rivers shall support any effort undertaken by others to oppose this Agreement.
- 10.4. Gascosage and Three Rivers agree to undertake all actions reasonably necessary to implement this Agreement. Gascosage and Three Rivers will cooperate in presenting a joint application showing this Agreement, in total, not to be detrimental to the public interest. Gascosage and Three Rivers will share equally in the costs assessed by the Commission for seeking administrative approval of this Agreement. All other costs will be borne by the respective party incurring the costs.

ARTICLE 11.

TERMINATION

- 11.1 **Termination Events.** This Agreement and the transactions contemplated by this Agreement may be terminated by mutual consent of Gascosage and Three Rivers.
- 11.2 **Effective Date of Termination.** The termination of this Agreement shall be effective on the date the Commission receives a notice signed by both Gascosage and Three Rivers of their decision to terminate this Agreement.
- 11.3 **Effect of Termination.** If the transactions contemplated by this Agreement are terminated as provided herein each party shall pay the costs and expenses incurred by it in connection with this Agreement, and no party (or any of its officers, directors, employees, agents, attorneys, representatives, or shareholders) shall be liable to any other

party for any costs, expenses, or damages; except as provided herein, neither party shall have any liability or further obligation to the other party to this Agreement.

ARTICLE 12.

ARTICLE 13

ASSIGNMENT

- 13.1 This Agreement shall be binding on the successors, assigns of both Gascosage and Three Rivers. Neither party shall make any assignment of any of its rights or interests under this Agreement without the written consent of the other party, which consent shall not be unreasonably withheld, and approval of the Commission.
- 13.2 Notwithstanding the foregoing, in the event of a merger, corporate reorganization, or corporate restructuring of a party, said party may assign this Agreement to the corporate entity responsible for providing distribution level electric service in the area covered by this Agreement and the consent of the other party shall be deemed to be given. ARTICLE 14.

MISCELLANEOUS

- 14.1 **Other Products and Services Not Affected.** This Agreement is limited to the distribution of electricity and shall in no way affect either party's right to offer other products and services, including but not limited to, the sale of distributed generation equipment, natural gas service, propane service, fiber optic communication service, satellite television service and other communication services, to customers located in the Exclusive Service Area of the other party. Neither shall this Agreement limit, in any way, a party's right to construct such non-electric distribution facilities within the designated Electric Service Area of the other as that party deems necessary, appropriate or convenient to provide other non-electric distribution service to its customers.

Further, if any part of this Agreement is declared invalid or void by

a Court or agency of competent jurisdiction, then the whole Agreement shall be deemed invalid and void.

- 14.6 **Survival.** Obligations under this Agreement, which by their nature would continue beyond the termination, cancellation or expiration of this Agreement, shall survive termination, cancellation or expiration of this Agreement.
- 14.7 **No Waiver.** If a party has waived a right under this Agreement on any one or more occasions, such action shall not operate as a waiver of any right under this Agreement on any other occasion. Likewise, if a party has failed to require strict performance of an obligation under this Agreement, such action shall not release the other Party from any other obligation under this Agreement or the same obligation on any other occasion.
- 14.8 **Further Assurances.** The parties shall execute such other documents and perform such other acts as may reasonably be necessary in order to give full effect to this Agreement.
