**ORDER APPROVING TARIFF IN COMPLIANCE**  
**WITH COMMISSION ORDER**

Issue Date: November 7, 2008

Effective Date: November 9, 2008

In its Order Approving ISRS Rates, issued on October 30, 2008, the Commission authorized Union Electric Company, d/b/a AmerenUE, to file a tariff implementing an Infrastructure System Replacement Surcharge (ISRS) sufficient to recover appropriate annual pre-tax revenues in the amount of \$390,809 and setting out an ISRS rate for each customer class as reflected in Appendix B of the Commission Staff's October 2, 2008 report. AmerenUE filed the required tariff on November 4, 2008, with an effective date of December 2, 2008. Along with its tariff, AmerenUE submitted a motion for expedited treatment asking the Commission to approve the tariff to become effective on November 9, 2008.

Staff filed its recommendation and response on November 6, 2008. Staff indicates the tariff complies with the Commission's order, and recommends the Commission approve the tariff to become effective on November 9. No other party has filed a recommendation or a response to the motion for expedited treatment.

Based on Staff's recommendation, the Commission determines the tariff complies with the Commission's order. The Commission also finds good cause to approve

the tariff to be effective in less than 30 days because these figures have already been approved by the Commission. The Commission will approve the tariff effective November 9, 2008.
