Building Shell Measure Rebate Program)	

**CORRECTION TO PUBLIC COUNSEL'S
MOTION FOR RECONSIDERATION**

COMES NOW the Missouri Office of the Public Counsel ("OPC") and for its
Correction to Public Counsel's Motion for Reconsideration states as follows:

1. In OPC's Motion for Reconsideration filed on November 29, 2010, OPC
stated:

UE's claim that they are withdrawing the tariff filing (which to the best of
OPC's knowledge has not been withdrawn as of the date of this filing), has
no bearing on the issue which prompted the scheduling of the expedited
hearing – that is, the issue of UE ceasing to accept new rebate applications
from residential customers.

2. At the time OPC made this statement, no separate notice of withdrawal
had been served on OPC, and no separate notice of withdrawal had been filed in the case.
OPC believed any such withdrawal would be served on OPC pursuant to 4 CSR 240-
2.065(3), which states:

(3) When a pleading, which objects to a tariff or requests the suspension of a
tariff, is filed, the commission shall establish a case file for the tariff and shall
file the tariff and pleading in that case file. **All subsequent pleadings,
orders, briefs, and correspondence concerning the tariff shall be filed in
the case file established for the tariff.** Any pleading to suspend a tariff shall
attach a copy of the tariff and include a certificate of service to confirm that
the party who submitted the tariff has been served with the pleading.

3. On November 30, 2010, counsel for Union Electric Company d/b/a Ameren Missouri (UE) contacted counsel for OPC and explained that the tariff was withdrawn on November 23, 2010 through an EFIS entry. OPC received no prior notice of this EFIS entry. OPC hereby corrects its Motion for Reconsideration to state that according to EFIS, tariff JG-2011-0211 has been withdrawn.

WHEREFORE, the Office of the Public Counsel respectfully offers this correction.

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL
