Company for Approval to Make Cer-     )     **ER-2010-0356**  
tain Changes in its Charges For     )  
Electric Service     )

**APPLICATION FOR REHEARING BY  
AG PROCESSING INC A COOPERATIVE**

---

COMES NOW AG PROCESSING INC A COOPERATIVE (AGP) and pursuant to Commission rules seeks rehearing of the Commission's Report and Order concerning KCPL Greater Missouri Operations Company (GMO) of May 5, 2011 (Report and Order) as follows:

1. Missouri's Constitution and judicial decisions require that Commission Orders must not only be reasonable, but must also be lawful. The Commission's Report and Order is unlawful in that it grants GMO L&P a rate increase that is in excess of that initially requested by GMO and with regard to which GMO gave public notice.

WHEREFORE AGP respectfully requests that the portion of the Report and Order as above stated be withdrawn and corrected so as to stay within the Commission's lawful authority.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
