**RE: Tariff Filing JG-2008-0680**

On May 15, 2008 Missouri Gas Energy filed an electronic version of P.S.C. MO. No. 1 Third Revised Sheet No. 61.2 replacing Second Revised Sheet No. 61.2.

The issue date for this tariff sheet is May 15, 2008 with a proposed effective date of June 15, 2008.

The purpose of the revised tariff sheet is to eliminate an unintended incentive for large volume customers or their agents to clear market positions at the expense of MGE commodity sales customers.

Thank you for bringing this matter to the attention of the Commission and the appropriate Commission personnel. Please contact me directly at (816) 360-5560 if you need any further information.

Sincerely,

*Michael R. Noack*
