ORDER DIRECTING STAFF TO FILE RECOMMENDATION

Issue Date: October 5, 2009

Effective Date: October 5, 2009

On October 2, 2009, Atmos Energy Corporation issued a tariff that would expand its existing rebate program and implement a variance to its residential low-income weatherization assistance program. Along with its tariff, Atmos filed a motion asking the Commission to expedite its approval of the tariff so that the tariff can go into effect as soon as possible. Before acting on Atmos' tariff and request for expedited treatment, the Commission will direct its Staff to file a recommendation and will set a time in which other interested parties may file a recommendation.

THE COMMISSION ORDERS THAT:

1. Staff shall file a recommendation regarding Atmos Energy Corporation's tariff and request for expedited treatment no later than October 8, 2009.
2. Any other party wishing to file a recommendation regarding Atmos Energy Corporation's tariff and request for expedited treatment shall do so no later than October 8, 2009.

3. This order shall become effective immediately upon issuance.
