ORDER APPROVING STIPULATION AND AGREEMENT

Issue Date: September 1, 2010

Effective Date: September 11, 2010

On March 23, 2010,¹ the Commission issued a Notice of New Proceeding. The Commission did so in response to a March 15 revised transportation tariff filing by Missouri Gas Energy, a division of Southern Union Company (hereafter "MGE"), and a Motion to Create New Docket and Set Prehearing Conference filed by Constellation NewEnergy-Gas Division, LLC (hereafter "Constellation"). The effective date of the tariff sheets was September 1.²

On August 27, MGE, the Staff of the Commission, Midwest Gas Users' Association ("MGUA"), Constellation, and ONEOK Energy Marketing Company ("ONEOK") filed a Stipulation and Agreement.³ The signatories agreed upon a new level of transportation service that MGE shall provide. They further agreed upon customers who shall be required to install telemetry equipment and the costs to be charged for installing such equipment. Also, the signatories agreed that MGE shall be authorized to file tariff sheets effective

¹ All calendar references are to 2010 unless otherwise noted.

² By agreement of the signatories to the Stipulation, on August 31, the Commission rejected the tariff sheets that MGE filed on March 15.

³ The Office of the Public Counsel is not a party to the Stipulation. However, the signatories plead that OPC does not oppose the Stipulation and does not request a hearing.

September 15 that will modify its transportation tariff to comport with the Stipulation and Agreement.

The Commission has reviewed the Stipulation and Agreement, as well as the prefiled testimony, which is admitted into evidence. The Commission finds the Stipulation and Agreement reasonable, and will approve it.
