ORDER GRANTING MOTION TO FILE RESPONSE OUT-OF-TIME AND ESTABLISHING DEADLINE FOR REPLIES

Issue Date: March 1, 2010

Effective Date: March 1, 2010

On January 15, 2010, Laclede Gas Company ("Laclede") sought authorization to change its Infrastructure System Replacement Surcharge ("ISRS"). The Commission issued notice and directed Laclede to file sample customer notices pursuant to Commission Rules 4 SCR 240-3.265(8) and (9). On February 26, 2010, Laclede filed a motion to late-file a response regarding the customer notices. Laclede asserts that because customer notices were approved in prior ISRS filings that it need not seek approval of the notices with this application.

For the reasons stated in Laclede's motion, the Commission will grant its request to file its response out-of-time. The Commission will also establish a deadline for any party wishing to respond to Laclede's assertion that customer notices for its current ISRS application no longer require Commission approval.

THE COMMISSION ORDERS THAT:

1. Laclede Gas Company's motion to file its response out-of-time is granted.
2. Any party wishing to reply to Laclede's response may file its reply no later than March 8, 2010.

3. This order shall become effective immediately upon issuance.
