## ORDER DIRECTING FILING

Issue Date: September 26, 2012

Effective Date: September 26, 2012

The Missouri Public Service Commission is revising the date for Staff to file a recommendation, or a statement that no such recommendation is possible within that time.

In the Commission's *Order Setting ISRS Amounts, Rejecting Tariff, and Directing the Filing of New Tariff* ("order"),<sup>1</sup> the Commission ordered:

No later than October 9, 2012, [Southern Union Company d/b/a Missouri Gas Energy ("the Company")] shall file any new tariff sheet necessary to collect an ISRS as described in paragraph 2, and the Commission's staff shall file a recommendation as to such tariff sheet no later than October 19, 2012.

The Company filed the new tariff sheet ("tariff") on September 26, 2012, which bears a proposed effective date of October 26, 2012. The Company also filed a motion for expedited treatment ("motion") to make the tariff effective October 3, 2012.

The required content of the tariff is already set forth in the Commission's order, in accordance with Staff's recommendation, so the motion has support. Therefore, the Commission will order Staff to file its recommendation earlier than set forth in the order. If that revised timing is too short, Staff shall file a statement to that effect.

<sup>1</sup> Issued on September 26, 2012.

**THE COMMISSION ORDERS THAT:**

1. No later than October 1, 2012, the Commission's staff shall file the recommendation on the new tariff, described in the body of this order, or a statement that no such recommendation is possible within that time.
2. This order shall become effective immediately on issuance.
