**KANSAS CITY POWER & LIGHT COMPANY AND
KCP&L GREATER MISSOURI OPERATIONS COMPANY’S RESPONSE
TO STAFF’S MOTION TO SHORTEN RESPONSE TIMES FOR DATA REQUESTS**

COMES NOW Kansas City Power & Light Company (“KCP&L”) and KCP&L Greater Missouri Operations Company (“GMO”) (collectively, the “Company”) and, for its response to Staff (“Staff”) for the Missouri Public Service Commission (“Commission”) *Motion for Commission Order Shortening Response Times for Data Requests* (“Motion”), states as follows:

1. Given the rebuttal testimony due date, the Company does not oppose Staff’s Motion and will attempt to comply with the three (3) business day deadline should the Commission issue the requested order. However, the Company may need to request additional response time from Staff if a response to a data request requires a large amount of data or extensive analysis.¹ The Company may also need to request more response time due to holiday absences.

WHEREFORE, Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company respectfully request that the Commission consider their response to Staff’s Motion.

¹ Staff indicated in its Motion that it is willing to work with parties should three business days not be sufficient time to respond to data requests that might require voluminous responses.

Respectfully submitted,

/s/ Roger W. Steiner
