Amendment to its Interconnection)	File No. IK-2012-0409
Agreement with Verizon Wireless)	

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On June 8, 2012, MoKan Dial, Inc. ("MoKan") filed an application with the Commission for approval of an amendment to a interconnection agreement with Verizon Wireless under the provisions of the federal Telecommunications Act of 1996. Choctaw states that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff herein states that the amendment to the interconnection agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest,

convenience or necessity. A copy of the Amendment was filed with the Application. MoKan is an incumbent local telecommunications company and Verizon Wireless is a wireless company not regulated by the Commission.

4. Neither Company is delinquent in filing its annual report, or in paying its PSC assessment, or MoUSF and Relay Missouri surcharges.

WHEREFORE, Staff recommends the Commission approve the Application and direct the parties to submit to the Commission any subsequent modifications or amendments to the Interconnection Agreement.

Respectfully submitted,
